Mr. Bob Schmidt

La Crosse, WI 54601

Dear Bob:

Your contribution to our schools this fall has been remarkable! Many people credit the quality of our video with giving voters the best information about the referendums.

These projects always involve more time and effort than anticipated, but you never complained and always delivered what was needed and I might add, within some serious time constraints.

We cannot thank you enough, Bob, but hope you and your family will enjoy these small gifts. I feel very fortunate to have parents in our district who are so willing to donate their talents toward improving our schools. Thank you, thank you, and thank you!

Sincerely,

A handwritten signature in blue ink, which appears to read "Gerald R. Kember". The signature is fluid and cursive.
